

SOLARISING
BANGLADESH

Creating Deliverable Demand in Unserved Markets

MUNAWAR MISBAH MOIN

MANAGING DIRECTOR

Rahimafrooz Renewable Energy Ltd.

A billion unlighted

visual

The challenge and opportunity of bringing light, hope and enterprise
to millions of rural homes and villages across the globe

The PARADOX of Rural Bangladesh

Unlimited Energy

Youths in villages

Internet network

But limited access
to energy

Limited source
of income

Mostly for
entertainment

What if we can **transform:**

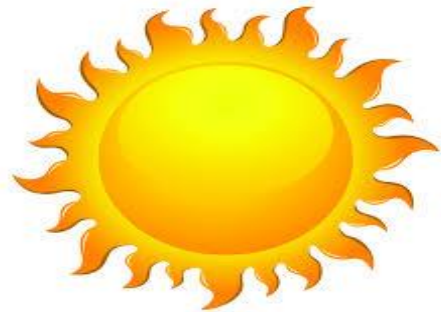

Unlimited Energy

Youths in villages

Internet network

Harness Renewable
Energy

Empowered
Rural youth

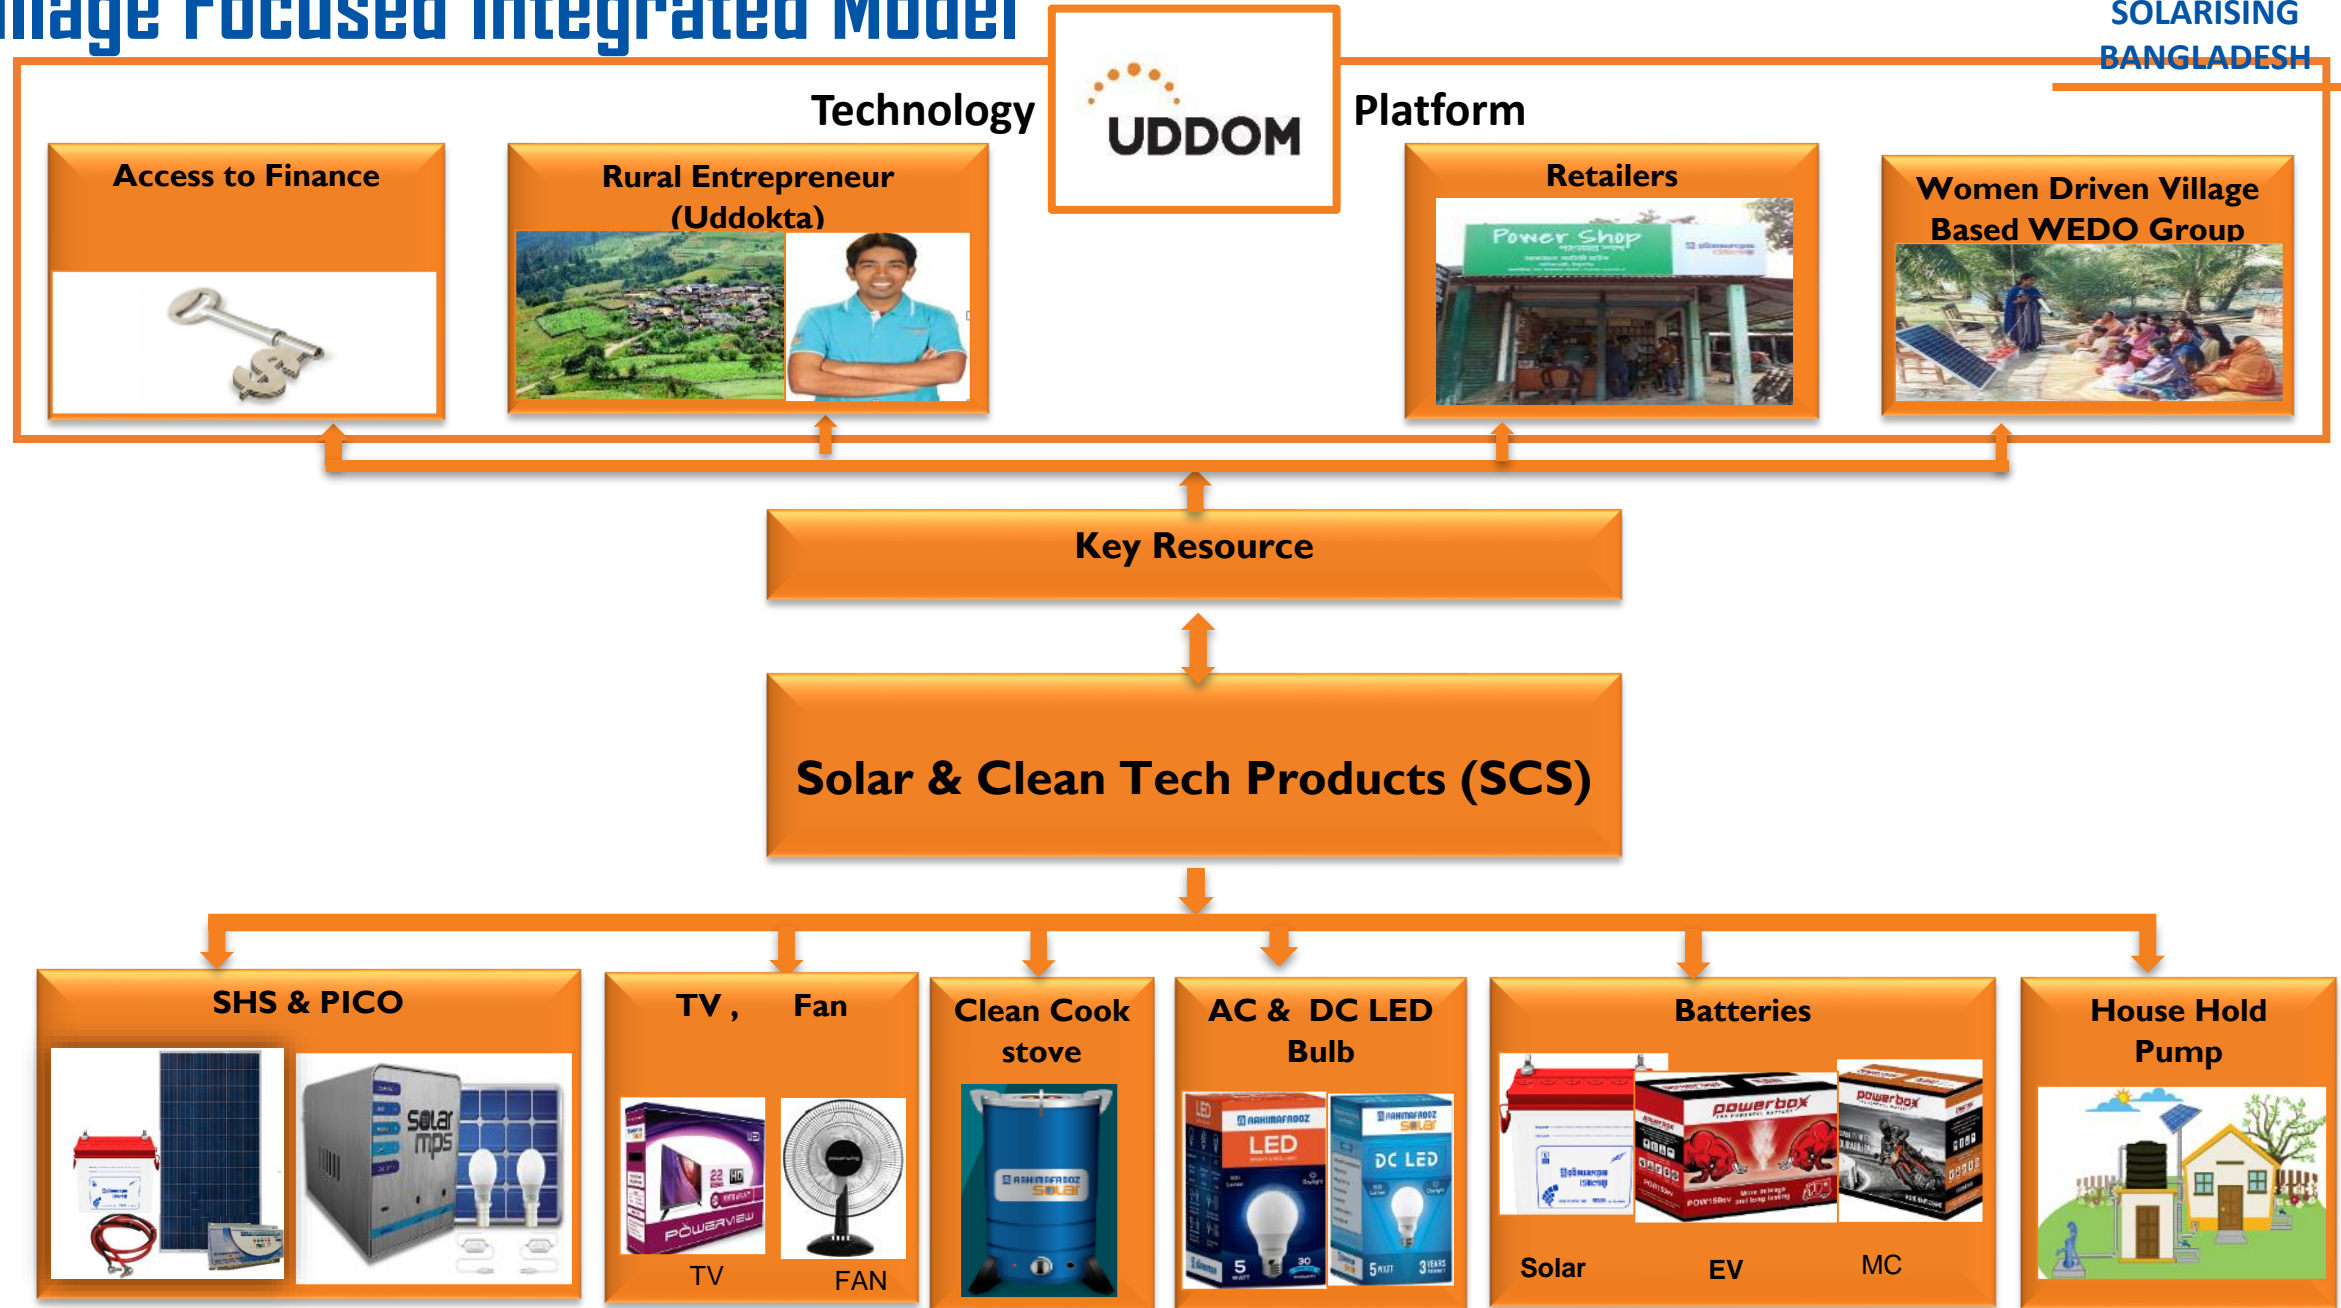

Opportunity for smart
Entrepreneurship

Village Focused Integrated Model

SOLARISING
BANGLADESH

Solar Irrigation

Solar Mini Grid

**EV + Solar
Fast Charging**

Agro Solar

**DRE – Clean-tech solutions
in uplifting Rural Economy**

Solar Market Grid

Solar Milk Chiller

Solar Cold Storage

Thank You
